

ENITED Latest News.

Dear ENITED Friends & Followers,

it was a great pleasure for our team - Rosa, Anna, Elisabeth, Henrik & myself - to catch up with many of you, during the IMEX 2017 in Frankfurt. And for those of you we have not had a chance to meet, we will make sure we do the next time around.

We want to continue to keep you up-to-date, about the “latest & greatest” in our ENITED life. Hence, reaching out to you pro-actively, via email, whenever we believe we have relevant & valuable news to share.

No worries, we will not join the stampede of electronic mass communication, overflowing your inbox. For us it is all about content, so we will limit our ENITED news to 2 to 3 times a year.

It is your choice, of course, to decide whether you want to receive our communication. Accordingly, please let us know via our ENITED website (www.enited.eu/newsletter), by confirming your interest.
